Why we want you

We are often asked to give talks to groups like Rotary's, Women's Institutes and to Patients via the NHS, etc. We are looking for a small team of people to work with us.

We and the nursing team are currently one of Huntingdon's best kept secrets. We want you to help us spread the word and be our voice and face in your community.

We want you to help us raise awareness of HCCN throughout Huntingdonshire enabling more people to get the support they need and encourage others to get involved by donating money or their time.

What's in it for you

This is a great opportunity for you to make a valuable contribution to supporting people living with cancer.

You will be helping to sign post people that need our help and support so they can enjoy the benefits of our programmes and services.

You'll get a lot of satisfaction knowing you play a vital role in enabling us raise money to fund vital services to provide support in the areas of exercise, nutrition and emotional well-being.

You will make new friends and have fun too.

Our volunteers are our voice and face in the local community
